Our Team

The Bramley Home Care staff team are at the heart of everything we do. As valued, supported and well trained team members; our staff are able to offer excellent quality care. Our team is motivated and aspire to give the quality of service that our customers expect. We understand that lone workers can feel isolated and we work hard to instil a common goal, that we are all working together for our customers and each other.

Our team understand that our Philosophy is central to everything that is achieved, recognising the needs of our customers and their fundamental rights to privacy, dignity, respect, equality and diversity, personal preference, choice and fulfilment.

Training

Bramley Home Care operates an in-house training centre at Bramley House in Mere, within which, all members of the care team receive ongoing theoretical and practical training. All members of the care team can also rely on our extensive working experience within a professional residential care home environment to support their work in the community.

How do we accomplish our excellent service?

To guarantee that the service we offer is always of the highest possible standard we ensure the following:

- Thorough engagement assessments.
- Regular care reviews.
- Robust and comprehensive recruitment procedures including references and an enhanced records check through the disclosure and barring service (DBS)
- All care staff complete a comprehensive training programme in our own dedicated training centre which includes: All mandatory subjects and others, for example; manual handling, first aid, safeguarding, mental capacity, dementia care, administration of medicines, infection control and the common induction standards. Health & Social care Diploma Level 3.
- A system of monthly staff meetings, regular staff supervision and appraisal is in place and maintained.
- Our teams personal safety is at all times considered paramount.
- Our carers are provided with smart clean uniforms including fleece jackets.
- Quality company cars are provided to ensure reliability.
- Carers are provided with company mobile telephones to ensure a reliable communication link and lone worker safety.

We can signpost to other services locally including:

- Hairdressing, beautician, chiropody, ironing service.
- One to one activities / exercise.
- Advice / guidance / information for funding, assessments, advocacy services and social services.

Arranging Care

Following the initial enquiry the registered manager will visit to complete a comprehensive needs assessment. This enables us to build a profile of our customer and then together we can establish the package of care and support that is required. It will incorporate risk assessment and reflect personal preferences to achieve our customer's desired outcomes. We will consider the time periods required, skill mix compatibility of the staff and geographical factors involved. We offer 'excellent value' for an affordable price.
